Arrival at Sitka

Sitka March 26th, 80

My dear Mrs Haines

I know you will be glad to hear of our safe arrival at Sitka, we have been a long time on the way, but are very grateful to our Heavenly Father for his kind care over us in bringing us safely to our loved ones, and also to the great work which we are about to undertake we are quite pleased with the situation here and think we should be very happy in our

near home. can tell you very little of our plans but hope in my next letter to be able to write you more fully.
Please extend my kind regards to all the ladies of the board also to Dr Kendall my time is so limited will not be able to write to them this time
Yours lovingly
O. A Austin
